

Product

Ready to use glass cleaner is a very pure product with a high evaporation rate. Micare Glass Cleaner will cut through grease and soil to leave a streak and smear free sparkling finish. Ideal for glass, mirrors, windscreens, tiles, porcelain, ceramic, aluminium, laminates and stainless steel.

Ideal for hotels, offices, airports, public buildings leisure centres and nursing homes.

Surfaces

Safe for use on most general hard surfaces. If in doubt conduct a suitable trial or ask for technical advice.

How to use

Spray on to a clean lint free cloth, wipe surface and buff to a shine. This product works well used sparingly with microfibre glass cloths.

Trigger bottles can be refilled from a 5 lt refill bottle
