

PRODUCT INFORMATION SUMMARY

T133 : D-BOND

woolSAFE approved chewing gum remover

Description of product
quick, effective, woolSAFE

Product Uses
For removal of chewing gum from all types of carpet. Performance is best on dried gum. Ideal for pubs, clubs and all carpeted public areas. If gum is fresh you may obtain quicker results using K003 Selffreez.

Directions
** N.B. Test a small inconspicuous area of the carpet for colour fastness before commencing cleaning. ** It is essential that you test the carpet for colourfastness prior to use. Spray liberally over the chewing gum and immediate surrounding area. Wait for a few minutes for the chemical action to take place. Using a blunt edged scraper and/or cloth - gently peel the gum from the carpet, taking care not to damage delicate fabrics. After use rinse out with water or a suitable extraction shampoo using an extraction machine.

iNsignt Supported

iNsignt is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>
