

Technical Data Sheet – Contico RT22 & RT23 Toilet Roll Holder Page 1 of 1

Economical and lockable toilet roll holders.

Chrome finish, easily wall mounted. Choice of single or double roll holders.

Single: H: 7cm (2 3/4"), W: 15cm (6"), D: 11cm (4 1/4") Double: H: 7cm (2 3/4")

Pilfer-proof locking device with brake spring action. Bright chrome finish. Single or double roll capacity.

Squeeze the spring on the cross bar and the side hinge of the toilet roll swings open.

Slide a toilet-roll over the cross-bar and close the side hinge - this locks the toilet roll holder preventing pilferage and you cannot re-open until the tissue on the roll has finished. When the tissue has finished crush the cardboard toilet -roll insert, pushing down on the spring and the hinge door will open again. Remove cardboard tube and re-insert new toilet-roll.

This data sheet has been created based on general information required by customers and data supplied by our manufacturers. The information given is to the best of our knowledge correct and will be updated when required by legislation or upon specific request. If further details are required please contact our Customer Services or your Contico Sales Manager. Due to the high demand for legislation information (WEEE, EEE, REACH, COSCH, Package and Waste, etc) and to conform to the parameters of ISO 9001, all relevant information can now be downloaded from the Contico web-site: www.conticospraychem.com.

Please let us know by e-mail if you require further product information and we will endeavour to supply/upload the information to our web-site.

If you order products via the web-site, we also offer you the facility to download your own Package & Waste statistics.

If you have any other questions, please do not hesitate to contact us.
