

Carefree Gloss Restorer Spray Polish

Description

A water based spray maintenance product to give a high gloss and excellent repair of emulsion polished floors.

Key properties

A water based polymer and wax based formula.
Formulated for fast buff out and drying.
Excellent gloss appearance.

Benefits

Regular use will increase the level of shine and durability of the floor surface.
Suitable for both low speed and high speed machines.
Can be used on unprotected floors such as studded rubber to improve appearance.

Use instructions

Decant into a suitable spray bottle. Dust control the floor or damp mop if heavily soiled. Spray approximately two square metres of the floor at a time. Buff the area to a shine using a red pad under a suitable rotary floor machine e.g. a Taski Ergodisc 400. Turn the pads regularly, change pads when the weave becomes full. Washout the pads immediately after use.

Technical data

Appearance:	Milky emulsion
pH neat	7.0 – 8.0
pH Diluted	7.0 – 8.0
S.G.	0.985
